

# The Superconductor Industry Person of the Year

\* **2010** \*

---

The first two categories on this form are mandatory. If you wish, you have the option of supplementing your nomination with additional information, which will be provided to the judging panel that will determine a winner. Your answers may be any length, and may be typed into this form, appended, or pasted in the body of an email sent to [scipoy@superconductorweek.com](mailto:scipoy@superconductorweek.com). *Superconductor Week* will provide for any formatting to assure that the panel receives your submission in the best possible light. The deadline for submissions is November 27th.
